

**THE NEW COINAGE BILL.**—The bill has finally passed Congress, reducing the weight of the half dollar silver coin, and establishing that of the quarter to half of the dime to one fifth, and of the half dime to one tenth of the weight of the half dollar. A new gold coin of three dollars will be issued, and the gold dollar may be changed as to improve it. Our gold coins will consist of 1, 2, 3, 5, 10 and 20 dollars—the silver of 3, 5, 10, 25, 50, and 100 cents.

**H. G. FARRELL'S GENUINE ARABIAN LINIMENT** is a most extraordinary medicine, the truth of which is placed beyond doubt by the vast sales of the article and the many cures being daily performed by it, which previously had resisted all other medicines and the skill of the best physicians in the world. It is composed of balsams, extracts and gums peculiar to Arabia, and is a concentrated form of all their stimulating, anodyne, penetrating, unctuous and restorative properties, and the same which, ages ago, were used by the "Sons of the Desert," with such miraculous success, in curing the diseases of both man and beast.

Read the following remarkable cure, which should of itself place H. G. FARRELL'S ARABIAN LINIMENT far beyond any similar remedy. Mr. H. G. Farrell—Dear Sir: Actuated by a sense of gratitude, I submit the following as an instance of the utility of your great medicine. My child, three years old, was suddenly attacked with a terrible disease, which in less than six hours prostrated it to total helplessness. The limbs became so rigid that not a joint could be moved, the face turned black and cold and entirely deprived of feeling; the eyes fixed, partially closed and altogether blind, following this was deafness to all sounds; the spine became contracted and so curved that when lying on its back the head and heels only touched. Indeed, the child presented every appearance of being dead. Immediately on the attack, the family physician was called in, and for three weeks he labored to restore it to feeling, but all in vain, although it was bled several times and various rubefacient liniments applied. A consultation of physicians was then held, but to no purpose, the case was then brought before the Medical Society, but nothing could be suggested which had not already been done, and the doctor then told me he could do nothing more, and they were only applying your Liniment freely over the entire length of the spine, and you may imagine a parent's joy, when, after a few applications, returning animation was apparent, and it rapidly recovered, with the exception of a slight, which did not become serious until a month. The child is now healthy and robust as can be. Five other cases of the same kind occurred previously in my neighborhood, all of which died, when there is no doubt that your Liniment had been used which would have recovered. HENRY C. CLELAND, Peoria, March 1st, 1851.

**Look out for Counterfeits!** The public are cautioned against another counterfeit, which has lately made its appearance, called W. B. Farrell's Arabian Liniment, the most dangerous of all the counterfeits, because it has the name of Farrell, may will bring in good faith, without the knowledge that a counterfeit exists, and they will thereby only discover their error when the spurious mixture has wrought its evil effects.

The genuine article is manufactured only by H. G. Farrell, sole inventor and proprietor, and wholesale and retail agents, Peoria, Illinois, to whom all applications for Agencies must be addressed. Be sure you get it with the letters H. G. Farrell's, thus—H. G. FARRELL'S—and his signature on the wrapper, all others are counterfeits. Sold by L. P. MAGNET, Agent, Gallipolis, Ohio, and by regularly authorized agents throughout the United States. Price 25 and 50 cents, and \$1 per bottle. Agents wanted in every town, village and hamlet in the United States, if one is not already established. Address H. G. Farrell as above, accompanied with good reference as to character, responsibility, &c.

Feb. 23, 1853.

It should be universally known—for it is strictly true—that indigestion is the parent of a large proportion of the fatal diseases. Dysentery, diarrhoea, cholera morbus, liver complaint, and many other diseases enumerated in the city physician's weekly catalogue of diseases, are generated by indigestion alone. Think of that dyspeptic! think of it all who suffer from disordered stomachs, and if you are willing to be guided by advice, founded upon experience, resort at once (don't delay a day) to Hoodland's German Bitters, prepared by Dr. C. M. Jackson, which, as an alternative, curative, and invigorant, stands alone and unapproached. General depot, 120 Arch street. We have tried these Bitters, and know that they are excellent for the diseases specified above.—Philadelphia City Item.

**Another Scientific Wonder—Important to Dyspeptics!**—Dr. J. S. Houghton's Peppermint, the True Diaphoretic Fluid, or Electric Juice, prepared from Rennet, or the fourth stomach of the Ox, after directions of Barns Liebig, the great Physiological chemist, by J. S. Houghton, M. D., Philadelphia. This is truly a wonderful remedy for Indigestion, Dyspepsia, Liver complaint, constipation, and Debility, curing after Nature's own method, by Nature's own agent, the Gastric Juice. Pamphlets, containing scientific evidence of its value, furnished by agents gratis. See notice among the medical advertisements.

**THE BEST POSITIVE REMEDY FOR CONSUMPTION.**—Wistar's Balsam of Wild Cherry is just the remedy that a pure minded, unprejudiced man, thoroughly acquainted with every system of practice, and well acquainted with the whole Materia Medica, and experienced in general practice, would recommend as the BEST POSITIVE REMEDY, for the cure of coughs, colds, asthma, bronchitis and consumption.

This remedy contains the extraordinary medicinal virtues of the Wild Cherry and the Fir which are combined and embodied in their utmost power in this article.

By a nice chemical process, everything deleterious or useless is rejected, so that what remains is the most extracting and purifying remedy for all kinds of pulmonary and liver diseases ever known to man.

**MARRIED.**—On the 23d ult., by Aaron Rife, Esq., Mr. ALFRED LUTER to Miss MARY MCKOWN, both of Addison township.

**Another Revolutionary Soldier gone.** DIED.—At his son's residence, in Porter, Gallia county, Ohio, on the 6th of January, 1853, Mr. ELIZABETH HOLMAN, in the 89th year of his age.

Mr. H. was born in Berkshire county, Mass., twelve years before the commencement of the war of the Revolution, and lived to see his country enjoy the happy fruits of that arduous struggle, which gave him liberty, 69 years. He was in the army at the close of the war, and received his discharge from Gen. Washington. He carried the scars of that sanguinary conflict to his grave. His leg was pierced by a musket ball, and his arm nearly severed by a British sword.

His life was that of a peaceful citizen, and consistent christian, and he died revered and beloved by those who knew him.

**SOMETHING NEW.**—Mr. CHARLES WORTH, of Portsmouth, has shown us a daguerreotype likeness set in a block of marble. It forms a neat and tasteful frame for the miniature, and greatly adds to the appearance, as it does to its value. Mr. C. is the proprietor of marble works in Portsmouth, and will furnish miniature frames to those desiring them. Application can be made to V. M. Firor, Esq.

**FORD & DROUILLARD** have on hand a good article of dried apples. See advertisement.

The following gentlemen have our thanks for papers during the last week: Wm. Mills, H. Maxon, R. Menager, Capt. J. Newton, C. W. Hoy. Gentlemen, collectively and individually, you have our thanks.

**CONGRESSIONAL GLOBE.**—HON. JOHN WELCH has our thanks for Parts 1, 2 and 3 of the 1st session of the present Congress.

The officers of the Pittsburgh and Cincinnati packets have placed us daily under obligations for Pittsburgh and Cincinnati papers.

**PACKET FROM GALLIPOLIS TO KANAWHA.**—The Kanawha Republican says the trade between Gallipolis, Pt. Pleasant and Kanawha requires a regular Packet. The right sort of a boat, that paper thinks, manned with those who had the genuine spirit of accommodation would receive the patronage and encouragement of all the people on both sides of the Kanawha, from the Salines to Gallipolis, and could not fail to make money. Who will, without delay, put such a boat in this trade?

Capt. Jas. Newton's new boat, the James Lauffin, is finished and will leave for the Wabash trade next week.

**BIRTH DAY OF WASHINGTON.**—The 22d passed off exceedingly well, there being two balls given in commemoration of the natal day of the Father of his country. We were present at each a few moments, on invitation, and were pleased to see things pass off so well. The young folks appeared to enjoy themselves about as well as we used to in other days. One was given at the U. S. Hotel, the other at the Templar's Hall, and both were graced with the fair ones of which this city is noted.

President Smith, of Marietta College, returned home a few days since after an absence of over ten months in Europe.
